Life by the sea doesn't get much better than this ultimate coastal retreat, offering the utmost in space and luxury, with all the lifestyle trimmings.

On the ground floor, the extensive open plan kitchen, dining, living, and games area, all work together to create a blissful family haven. This along with a separate home theatre room and enclosed study.

There are also three bedrooms with built-ins, two of which share the main bathroom, informal living room, and rear deck, while the third acts as a second Master bedroom with its own ensuite.
