Offering an excellent entry-level opportunity within a highly prized East Ballina locale, this solid brick and tile family home presents the perfect blank canvas for a keen renovator to add their creative touches, while also being perfectly ideal to appreciate as-is.

The single-level home reveals five spacious bedrooms and two bathrooms, catering for families of various sizes and lifestyles, along with two living spaces flooded with natural light, plus a large kitchen that flows out to a north-facing covered patio. There's also plenty of character to admire, such as the high-raked ceilings, exposed brick walls, oversized windows, and a mixture of carpet, slate, and vinyl floors.
